Select		

The number you are selecting indicates how many teams you are registering. For example, if you are registering one team of 4, you would choose 1 in the 4 Person Team box dropdown box. If you were registering two teams of 3, you would choose 2 in the dropdown box next to the 3 Person Team box. Please note that teams must be paid by the team leader for all registering.

When you click on select, you open a screen that allows you to enter the information for your team. Please have the information for each participant ready to enter.

If everyone you are registering wants to fundraise on their own, select individual campaigns. If you want to sign as a team, which is much more fun, click on Create a team. Required is the campaign target by individual as well as team. This can be updated as desired after the registration process. We ask about the age to ensure we have enough prizes appropriate for kids and the distance is to allow us to better know our timing for the post race plans.

Profile photo will show in the top left corner, something like a logo. Once you open you campaign page, you can upload a photo that will show boldly on your personal site. Note that image file size is limited to 10MG.
